### Cost of a New Computer:

Page 4 of the Best Buy flyer for August 9th

Intel Pentium Dual-Core Processor E5300 Computer with 20" HD LCD Monitor

**Price is listed at \$599.98**

A comparable new computer built to suit at Everything Computer with the same features, memory, etc.

**Price is listed at \$639.98**

The marketing committee for the Carroll County Chamber has found that shopping for a new computer is comparable in price to Best Buy in Lafayette. However, we have found that Everything Computer will customize your computer to fit your needs without charging extra to install the operating system and clean up the extra programs. At Best Buy, there is an additional cost of \$39.99 for standard optimization.
